

## PREVIEW RELEASE

### Vitrum 2017, October 3<sup>rd</sup> – 6<sup>th</sup>, Milan, Italy

- **Kommerling Pavilion 5, Stand D25,**

Kommerling's warm-edge systems, Koedispace and Koedispace 4SG, alongside its window bonding products will be the focus on the company's stand in Pavilion 5, Stand D25 at this year's Vitrum exhibition. As glass is still the material of choice for both internal and external features in many of the buildings currently under design and construction, Kommerling's expertise and knowledge enables the company to provide a comprehensive range of fully compatible products to meet the varying structural and safety requirements.

#### Background

Koemmerling Chemische Fabrik GmbH is a leading international manufacturer of high-quality adhesives and sealants. Its European headquarters and extensive research and development facilities are in Pirmasens, Germany and it has a network of subsidiaries, sales offices and sales partners, in more than 80 different countries. Members of the group have over 110 years' experience of the development of adhesives and sealants. In particular, the company has established itself as an innovative market leader in provision of Polysulfide, Polyurethane, Silicone and Polyisobutylene sealants for the insulating glass, photovoltaic, and automotive industries. Koemmerling Chemische Fabrik has been awarded ISO 9001, ISO 14001 and OHSAS 18001 certification.
